

# Archery Beginners Course

## Learn about archery

Archery has been part of our heritage for centuries. From the times of the crusades and Robin Hood, through to medieval battles, our archers have been admired across the world. The Victorians re-introduced archery as a sport and it was a key feature in the early Paralympics.

Nowadays it is a sport that is enjoyed by all ages and all abilities.

At Silver Arrow we want to introduce you to this very accessible activity. During the course our qualified instructors and coaches cover:

- different styles of shooting
- how to use archery equipment
- different bow types
- how to set up and check equipment
- archery safety
- how to score
